

Welcome to the Invictus Classical Press (ICP) Memory Guide Series!

We at ICP believe that there is truth, goodness, and beauty to be found in the Classical method and Charlotte Mason pedagogy. This curriculum seeks to bring what people love best of each, together into one comprehensive resource.

A Classical Charlotte Mason education is motivated by God's glory and utilizes beautiful and true material within the Trivium-based method. Its goal is the formation and equipping of the whole person made in God's image, who can learn, reason, and persuade people to the enduring truths of God and act virtuously toward their neighbor.

ANCIENTS

WEEK 1

Timeline: Oh, let me tell you about history! It started with God, who created everything. Oh, it was good, oh, it was perfect, but we chose to sin and to go our own way; we chose to disobey. But God is good, and God is great; His plan was to bring us back His way! Through many years, and many trials, His story came to be, so join with us as we sing this song about the Ancient world and you and me!
